

## Harmony Pharmacy names Michael Tovian as its Chief Executive

**Purchase, NY. – October 28, 2008.** Harmony Pharmacy & Health Center, Inc. (“Harmony”), today announced Michael Tovian has been named as its President and Chief Executive Officer. Mr. Tovian succeeds Kenneth Corroon, Harmony’s original Chief Executive Officer, who will remain a shareholder of Harmony in addition to continuing to serve as a member of its board of directors.

As a recognized business leader in pharmacy administration, managed care and retail management, Mr. Tovian’s experience prior to joining Harmony includes a 27 year career at Walgreen Co. (“Walgreens”). At Walgreens, Mr. Tovian managed over \$20 Billion of profit and loss responsibility as Vice President of Managed Care Sales and Contracting. His membership on executive committees helped determine Walgreens’ tactical direction and strategic initiatives. Previous to his Managed Care role, Mike served as Vice President of Walgreens’ Store Operations in the Puerto Rico and Southern Florida markets with responsibility of more than \$2 Billion across 250 stores.

In addition to naming a new Chief Executive Officer, Harmony recently won site locations at four major domestic airports: two sites at Dallas/Fort Worth International, Baltimore/Washington Thurgood Marshall International, Cleveland Hopkins International, and San Francisco International. Harmony’s current locations include JFK International, Newark Liberty International, and one off-airport site in Greenwich, CT.

“Mr. Tovian has the unique breadth of relevant experience necessary to lead a retail, pharmacy, and health care business such as Harmony,” said Christopher Sullivan, Director of Planning & Development for Harmony. “His focus on maximizing store operations will provide the Company with same store sales growth in addition to future growth generated from new stores, as Harmony continues its rapid expansion in airports across the U.S.”

“Harmony is fortunate to leverage Michael Tovian’s industry expertise and strong operational background and continue the growth of Harmony’s revenue, services and footprint across the airport market”, said Dr. Howard Hertz, Harmony’s Chairman of the Board and Co-Founder. “We feel Harmony’s concept is further validated by its ability to recruit such a talented individual and by the recent wave of airport wins across the nation.”
